## PIER CABINETS

Pier cabinets are made from solid birch and veneers on ply-core. Drawers have full extension glides and the wardrobe door(s) conceal a clothes valet along with an adjustable shelf. We offer three different pier widths (16,24 and 32) to give you the greatest flexibility when planning your room. Piers come in two different heights; 90" tall (which is the same height as the queen wallbed) and 85" tall (same height as a full or twin wallbed).

When ordering single door pier cabinets, please indicate handle placement (left or right side) when facing the cabinet.
